

430 HTC

The 430 HTC embodies a sporty character in a compact form factor, being an extension of the mid-range segment as a hardtop variant of the acclaimed 420 FLY. The main focus of the design was to flawlessly integrate a bright and welcoming interior with the dynamic character of the model.

The forward-facing glass roof effortlessly slides back, yet it is quick to close if the weather gets harsh. A single, sliding panel over the cockpit area opens this area up and the patio door allows for easy access to the saloon. The aft-facing loungers will slide when needed, creating either a great dining or leisure area at the stern.

The main deck boasts plenty of space and features a dining table, sitting areas, a well-equipped helm station and a galley (which can be moved down below). A plethora of interior design options allow for the yacht to be fully customized. Choose between two or three bedrooms down below – all with ample headroom and make use of two separate bathrooms for optimum comfort and privacy. The 430 features a stylish, relaxing interior thanks to high-quality fabrics, luxury fittings and top-of-the-line equipment.

A wide variety of propulsion options are possible. Bring the yacht to its full potential and take advantage of its precise handling with one of the high-power engines, or focus on comfort and fuel efficiency with others. The 430 HTC is the perfect yacht for the customer who demands comfort, sophistication and performance.

Hardtop line

The hardtop variant of the popular 420 FLY offers a sportier exterior and tighter handling due to a lower center of mass. Guests will surely enjoy the large glass sunroof over the helm station which can be opened in a matter of seconds.
